

# PACKING CHECKLIST

Download and print a copy of this packing checklist each time you travel to make sure you bring all the important items with you on your vacation. Use the notes section on the back to add other items depending on the type of trip or seasonality. Bon Voyage!

## PACKING TIPS

- ☐ Passengers on our tours are permitted one suitcase and one carry-on bag per person on our coaches.
- ☐ Your suitcase should measure approximately 30x20x10 inches, for a maximum 62 linear inches.
- ☐ Check your airline's website to learn about checked baggage fees and any carry-on restrictions.
- ☐ Keep checked baggage under 50 pounds or risk paying overweight baggage fees.
- ☐ Put your name, contact information, and itinerary in your checked bag, in case your bag goes astray.
- ☐ Add your contact information to your CIE Tours luggage tag, and attach it to the handle of your suitcase.
- ☐ After closing your suitcase, wrap the yellow CIE Tours luggage strap horizontally around the bag you'll be checking, for easy identification upon arrival for you and the CIE Tours representative.
- ☐ You can use your CIE Tours Backpack as your carry-on bag. Use your second CIE Tours luggage tag on this carry-on for easy identification.
- ☐ Bring a few plastic grocery bags to hold wet or dirty items.
- ☐ While masks are no longer required, bring some as an option for when you are in crowds or on the plane.
